

GIRL SCOUT TROOP 2303

TAKE ACTION TOOLKIT

The Power Of A Girl

PURPOSE AND EXPLANATION

The Power of a Girl Take Action Toolkit provides ideas in order for anyone to support girls around the world lacking education. Whether someone is educating friends and family or holding an event within their community, every effort makes a difference. We encourage you to take some ideas or generate your own to promote awareness and action.

FUNDRAISE

A great way to have fun while supporting girls' education is to participate in a fundraiser!

You could also start your own fundraiser such as a bake sale or a fun run.

SUPPLY DRIVE

Have any old school supplies?

Donating to or starting a supply drive is a great way to recycle and help out girls around the world!

SPREAD INFORMATION

SUPPORT THE GIRL RISING FILM

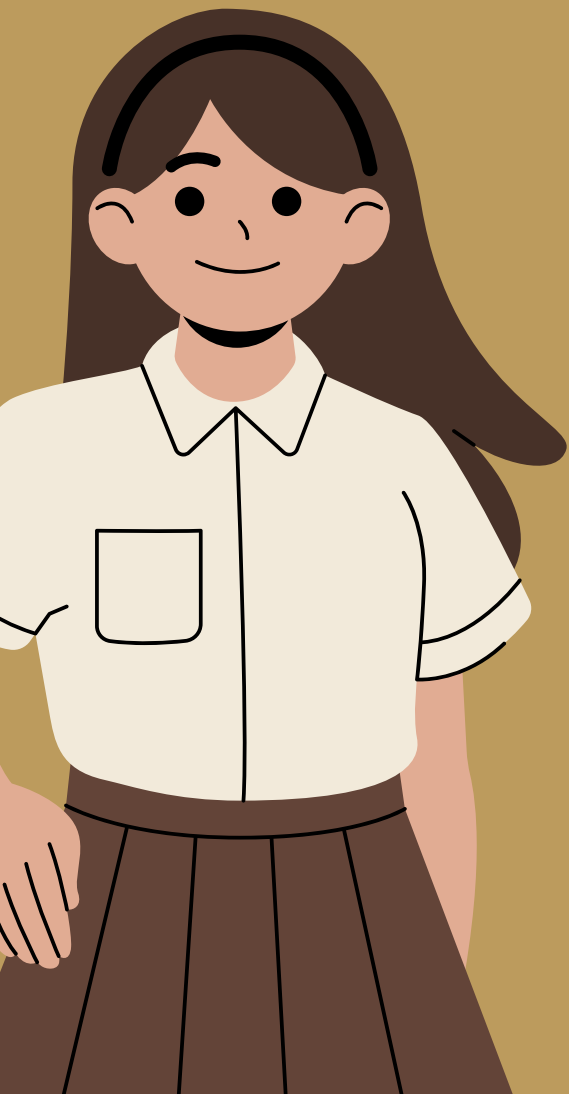

Watch the Girl Rising documentary with friends and family or put together a showing in your community to inform others of what many girls around the world are going through right now. Also, check out the Girl Rising book.

EDUCATE YOURSELF AND OTHERS

Learn about girls' education and share it with others. Educating people about schooling for girls is so important because it makes others aware of the conflict and may even encourage them to take action themselves.

CELEBRATE SPECIAL DAYS

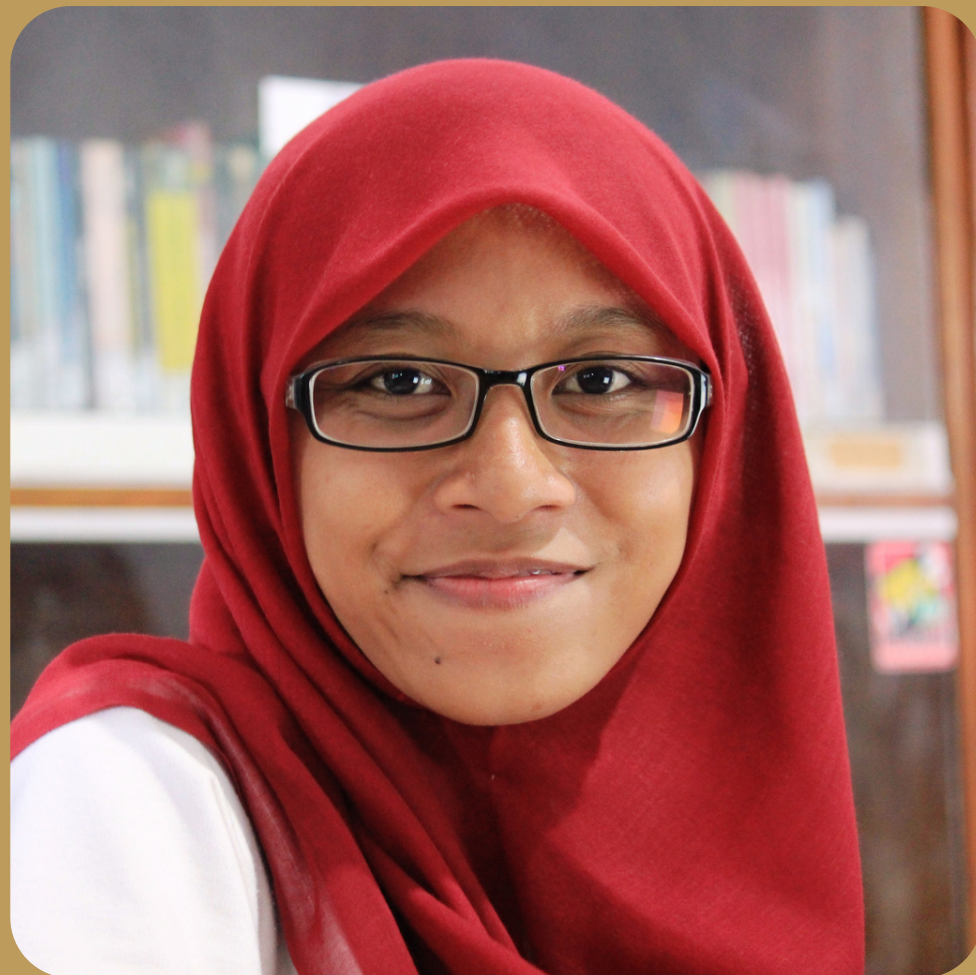

Spread the word and celebrate special days that are dedicated to empowering girls and women such as International Women's Day, World Thinking Day, and International Day of the Girl.
